

## THE BOBBY TILLMAN PACT FOR NON-VIOLENCE

I pledge to make a change in myself, and help create a peaceful environment in my home, school, and community. It is my responsibility to be a part of the solution and not the problem.

**Therefore:**

- I will respect and stay true to myself;
- I am an individual and special in my own way; it's ok to be me;
- I am accountable and responsible for my own actions;
- I will not let my circumstances define who I am;
- I know that my actions have the potential to affect someone else's actions;
- To have a positive effect I must first start with a positive action;
- I will assist in making a positive change in my school, household, community, with my friends, and myself;
- I will always conduct myself in a respectable way;
- I will not judge a book by its cover;
- It's about more than just me, so I will think before I act;
- I will treat others as I want to be treated;
- I will be a part of the solution and not the problem;
- The greatest impact can start with me;
- I will not make this commitment just for the moment, but for a permanent lifestyle change; and
- I have the power to make a change.
